# IBM SERVICES

The screenshot displays the IBM Cloud Dashboard interface. At the top, the 'Dashboard' title is followed by links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. A left-hand navigation menu contains icons for various services like Cloud Object Storage, Cloud Functions, and Cloud K8s. The main content area, titled 'For you', features a horizontal carousel of service tiles. The first tile, 'Build', is highlighted with a blue background. Other tiles include 'Set up your IBM Cloud account', 'Get Started with Watson Studio', 'Create an OpenShift cluster', 'Use Text to Speech', and 'IBM Watson Catalog'. Each tile provides a brief description and a 'Getting started' button. Below the carousel, there are sections for 'User access' (with a 'Manage users' link), 'News' (highlighted in blue with the text 'IBM Tech Now: November 7, 2022'), and 'Planned maintenance'.
